

# General Admissions Requirements to Access Full Programmes

(consult: <http://portal2.ipt.pt/pt/candidaturas/>)

### To Professional Higher Technical Course (TeSP):

Admission to TeSP courses is carried out through a competition organized by each Higher Education Institution, which is responsible for establishing and publishing, in Diário da República, the regulation with the conditions for admission to each of its higher professional technical courses, depending on the area of study in which it is integrated, establishing, in particular, deadlines and rules for registration/application, classification criteria and attribution of final classification, as well as defining the form that this capacity assessment must take, necessarily taking into account the knowledge and skills corresponding to the level of secondary education in the relevant areas for each course. course.

For more information, please consult: <http://portal2.ipt.pt/pt/Cursos/TeSPs/>

### Bachelor's Degree Programmes:

Eligible candidates for the Bachelor's Degree are students who have completed the 12th year of schooling or legally equivalent with the respective valid national access exams. More information at: <https://www.dges.gov.pt/pt>. The application can also be made through the following selection procedures:

- students coming from the Portuguese education system, by re-entry, change of course and transfer;
- holders of a Technological Specialization Course or Professional Higher Technical Course;
- holders of tests specially designed to assess the ability to attend Higher Education of those over 23 years of age;
- holders of Medium or Higher Education Courses;
- students coming from foreign higher education systems.

More information, please consult: [http://portal2.ipt.pt/pt/candidaturas/Estudante\\_Internacional/](http://portal2.ipt.pt/pt/candidaturas/Estudante_Internacional/)

### To Master's Degree Programs:

According to Portuguese national legislation, the following may apply for access to the cycle of studies leading to a master's degree:

- Holders of a Bachelor's degree or legal equivalent;
- Holders of a foreign higher academic degree awarded following a 1st cycle of studies organized according to the principles of the Bologna Process by a State adhering to this Process;
- Holders of a foreign higher academic degree that is recognized as meeting the objectives of the degree of Bachelor by the scientific body statutorily competent of the higher education establishment where they wish to be admitted;
- Holders of an academic, scientific or professional curriculum that is recognized as attesting the capacity to carry out this cycle of studies by the statutorily competent scientific body of the higher education establishment where they wish to be admitted.

In the case of institutional selection procedures, organized by each higher education institution, specific information on access and admission to these study cycles, as well as on the vacancies to be fixed for each academic year, can be obtained from them.
