•**Learn in the Shadow of Dracula's Palace!** 🧙♂️

•**Middle-Sized City, Big Heart** 💖

You'll think you know the entire city by the end of your first week, but trust us, there's always more to discover.

•**Affordable Living** 💰

Your budget will stretch further than you thought possible.

Seriously, you'll be dining like a royal. 🍷🍷

•**Endless Wine (and not only) Breaks** 🍷

Who needs caffeine when you can enjoy the local wine? After all, Dracula was from a land of fine tastes.

•**Become a Medieval Hero** 🗡️

Not really, but you'll visit palaces, castles, historical ruins, and maybe even meet a friendly ghost... or a Templar Knight! 👻
