

An aerial photograph of Adana, Turkey, showing a dense urban area with many colorful apartment buildings. The Seyhan River flows through the city, with a bridge visible in the background. The image is framed by a dark border.

WELCOME TO ADANA

www.printablesign.net

Location of Adana

- Adana lies on south-east of the Taurus Mountains and is situated thirty kilometers from the Mediterranean Sea.

- Adana, with its sea, beaches, ancient cities, castles, orange orchards, sun shining for four seasons, oxygen-full uplands, fertile lands, is located to in the Mediterranean Region.
- Adana is the biggest city of the Mediterranean Region and the fifth biggest city of Turkey with a population of 2.200.000.

City living in all seasons of the sun

You will love this city
